SUBJECT: T&T ACTIVELY CONSIDERING STATUTE AMENDMENT
FOR MDA

REF: STATE 095211

Post delivered the demarche contained reftel to Ms. Roanna Gopaul of the MFA's Multilateral Division. Ms. Gopaul stated that T&T will likely be represented by their mission in Geneva and that they are "actively considering" the amendments to the statutes. She was cautiously optimistic that T&T will be able to support the amendments at the June 20 conference.
